

ABU ILYAS TRADING LLC. **Engineered Products Division**

ISO 9001-2015 Certified by VQMI

**Quality Products
With Reliable Service**

Company Profile

ABU ILYAS TRADING LLC (AIT) was established in the year 1990 as a Supply and Services Company dedicated to the Oil & Gas, Petrochemical companies, in Oman. The Company is engaged in providing technical marketing and commercial support to International Principals. Our experience provides us with the ability to serve our clients in all the areas of the energy industry in Oman. Our activities are split into two divisions – General Oilfield & Industrial supplies Division and the Engineered Products Division.

ABU ILYAS TRADING LLC – OIL FIELD DIVISION (AIT-OFD) Operates out of its office with a Showroom & Warehouse in Wadi Kabir. We are the leading stockiest and supplier of industrial and Oilfield Equipment's in the sultanate of Oman. Our Sales and Administration personal have reached a stage where we are in a stage of Industrial diversification.

ABU ILYAS TRADING LLC – ENGINEERED PRODUCTS DIVISION (AIT-EPD)

(An ISO 9001:2015 certified company by VQMI)
Was established in the year 2000 and now has been listed under the “Excellent” Category as a Supply & Service Company dedicated to the Oil & Gas, Petrochemical companies, Process industries, water and WTP in Oman. The Engineered Products Divisions Office is located in Al Khuwair in 53 (5C), 05th Floor, Al Khuwair House, Street 281, Al Khuwair, Muscat.

The Engineered Products Division is engaged in providing technical marketing and commercial support to international principals. Our Experience provides as with the ability to serve our clients in all the areas of Oil & Gas, power plants and utilities, Government and non-Government organizations, Mining, Water & Waste Water, downstream & Process industries food & Beverages industries in Oman. We are also providing after sales service as well as installation and commissioning support.

We have substantial experience in marketing rotating and static equipments such as Gas Turbines, Pumps –Centrifugal, Reciprocating and PCP, Safety relief valves, Ball and Gate Valves, ESD Valves and Skid mounted Oil&Gas Process equipments. Recognizing an opportunity for growth in specialist technologically innovative products and after sales services we are offering our expertise to companies which have similar products and local support requirements.

For over 20 Years of experience, we are providing technical solutions with competitive pricing, High quality products, Quick delivery along with local Installation, Commissioning & Service with the working principle of “Quality products with reliable service”. Our team of highly technically qualified and knowledgeable Professionals with experience provides us with the ability to serve our valuable clients in all the areas.

Our company is strongly committed to meeting the objectives of closely working our customers in providing Innovative Technology based solutions and engineered products for mutual benefit.

We shall continue to grow by offering **QUALITY** products, **RELIABLE SERVICE** and **VALUE** for money.

ENGINEERED PRODUCT SUPPLIES & SERVICES

PROCESS, FABRICATION & MECHANICAL EQUIPMENTS

- Static Mixers
- Test Separators
- Heat Exchangers
- Flame Arrestors
- Heater
- Pulp Digestors

- Blow tanks
- Filter Skids
- Metering skids
- Methanol skids
- Piggging Systems
- KO Drums
- Steam Traps
- Dryers
- Heaters
- Process Equipment for
- Cryogenic Application

- Pressure Vessels
- Process Centrifuges
- Hose Deployment unit
- Chemical injection skids
- Process Gas compressors
- Agitators /Mixers
- Bitumen Plants
- Air Receiving Vessels
- Vibration conveyor Systems
- Sieving & Filtering System

- MSV Skids
- Furnaces
- Sight Glasses
- Rapture Disc
- Oil & Gas Production Equipments
- Skid Air Cooled Heat Exchanger
- Process equipments
- Nitrogen & Oxygen storage tanks
- Reactors
- Graphite Heat Exchangers
- Pusher Centrifuge
- Tubular/Plate Heat Exchangers
- Vertical Basket Centrifuge

VALVES

- ESD/PSD IPF Valves
- Butterfly Valve
- SBB
- Control Valves
- Safety relief Valves
- V-Notch Control Valves
- Multiport Selector Valves
- DBB Instruments & Manifold
- Ball Valves
- Gate Valves
- Globe Valves
- Check Valves
- Chock Valves

- Triple Eccentric Butterfly Valves
- Eccentric Plug Valves
- Motor operated valves
- Hipps Valves
- Bellow Seal Valves
- Triple offset Butterfly valves
- Top entry Butterfly valves
- Butterfly valves cryogenic application
- Triple offset valves for Control Application

INSTRUMENTATION

- ESD/PSD Valves
- Valve Actuators
- Calibration pots
- Control system
- Sampling unit
- Static Mixture
- Petroleum Analyzer
- Thermal Cameras
- Thermowells
- Densitometer
- Visco Meter
- H₂S Analyzer
- Gas flow measurements
- Temperature Sensors

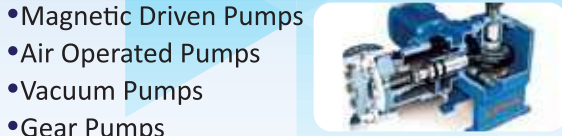

- Valve Automation
- Multiphase Flow meters
- Moisture Analyzer
- Well Head Control panels
- Gas Calorimeters
- Level Instruments
- Level Gauge & Transmitters
- Dew point Analyzers
- Lab Instruments

- Hydraulic, Pneumatic, Electric & Gas over oil Actuators
- Coriolis flow meter
- Process Analytic Instruments
- Sulphur / Nitrogen Analyzer
- Flow metering Consultancy
- Oil in Water Analyzers
- Water Cut Analyzer
- Condition monitoring Equipments
- Vibration Monitoring Equipments
- Reid Vapour Pressure Monitor

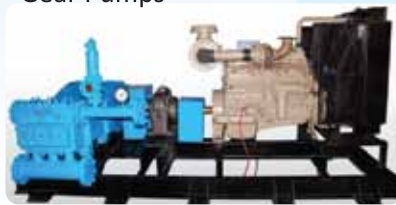

PUMPS (API & NON API) & COMPRESSORS

- Centrifugal API610 pumps
- Diaphragm Pumps -API 675
- Reciprocating Pumps -API 674
- Process Pumps
- Progressive Cavity Pumps -API 676
- Magnetic Driven Pumps
- Air Operated Pumps
- Vacuum Pumps
- Gear Pumps

- Barrel / Drum pumps
- Filters and strainers
- Plunger pumps
- Hose Pumps
- Mechanical Seals
- Booster Pumps
- Fire Pumps

- Reciprocating Compressors
- Oil Less piston Compressors
- Air Compressors
- Centrifugal Compressors

- Axial Flow Compressors
- Reciprocating Compressors
- Ventilators
- Odoriser packages

- Jockey Pumps
- Screw Pumps
- Multiphase Pumps
- Fuel transfer Pumps
- Slurry Pumps

Water & Waste Water

- RO Plants
- STP Plants

- Filters
- Water Treatment Chemicals

- Softener Units
- Demonization plants

- Water Treatment Chemicals
- Sludge Treatment

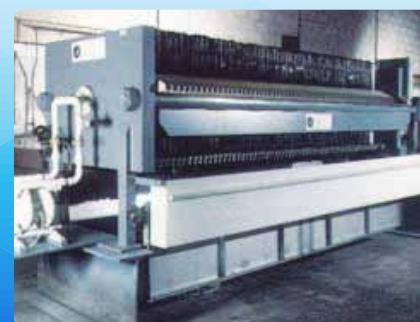

Filters & Strainers

- Filters
- Strainers
- Pulsation Dampers
- Filter Separators

- Surge Absorbers
- Conical strainers

- Expansion Joints
- Basket Strainers
- Y-Type Strainers
- T- Type Strainers

MAJOR CLIENT LIST

- Petroleum Development Oman (PDO)
- Oman Gas Company
- Oman Refineries and Petroleum Industries Company (ORPIC)
- Oman LNG
- Oman Indian Fertiliser Company (OMIFCO)
- Royal Yacht
- Royal Navy
- Oman Oil Company Exploration & Production LLC (OOCEP)
- CC Energy Development (CCED)
- Oman Methanol
- Dodsall Engineering and Contracting Company LLC
- ARA Petroleum Exploration & Production
- Special Technical Services and Tebodin (STST)
- Arabian Industries
- Worley Parsons
- SFO (Sharikah Fanniah Omaniya)
- Occidental of Oman (OXY)
- Daleel Petroleum
- Suez – Tractebel Operation and Maintenance Oman LLC (STOMO)
- Bahwan Engineering Company (BEC)
- BP Khazzan
- Al Turki Enterprises
- Haya Water
- VEC
- CC Energy
- Petrogas
- SNF
- Agnice
- Dresser Rand
- Galfar Engineering and Contracting SAOG
- Al Hassan Engineering Company SAOG
- Octal SAOC FZC
- Petrofac
- MOD
- Hyflux Ltd
- Sohar International Urea and Chemical Industries LLC
- Salalah Methanol Company
- Musandam Oil & Gas Company
- Phoenix operation & Maintenance Company (SUR IPP)
- Qarat Al - Milh Petroleum LLC
- Zawawi Powertech Engineering LLC
